

Regional Approach to Cardiovascular Emergencies
Cardiac Arrest Resuscitation System

2012 CARES Data

Dr. James Jollis
Co-PI RACE CARS

Clark Tyson, MS, NREMT-P
NC CARES Coordinator
clark.tyson@dm.duke.edu

December, 2013

North Carolina

Estimated Cardiac Arrest 2012: 7189

Estimated Survivors Overall 2012 755

A 1% change in overall survival = 72 lives

Extrapolated from 2012 CARES Data based upon population reporting per month.

Demographics

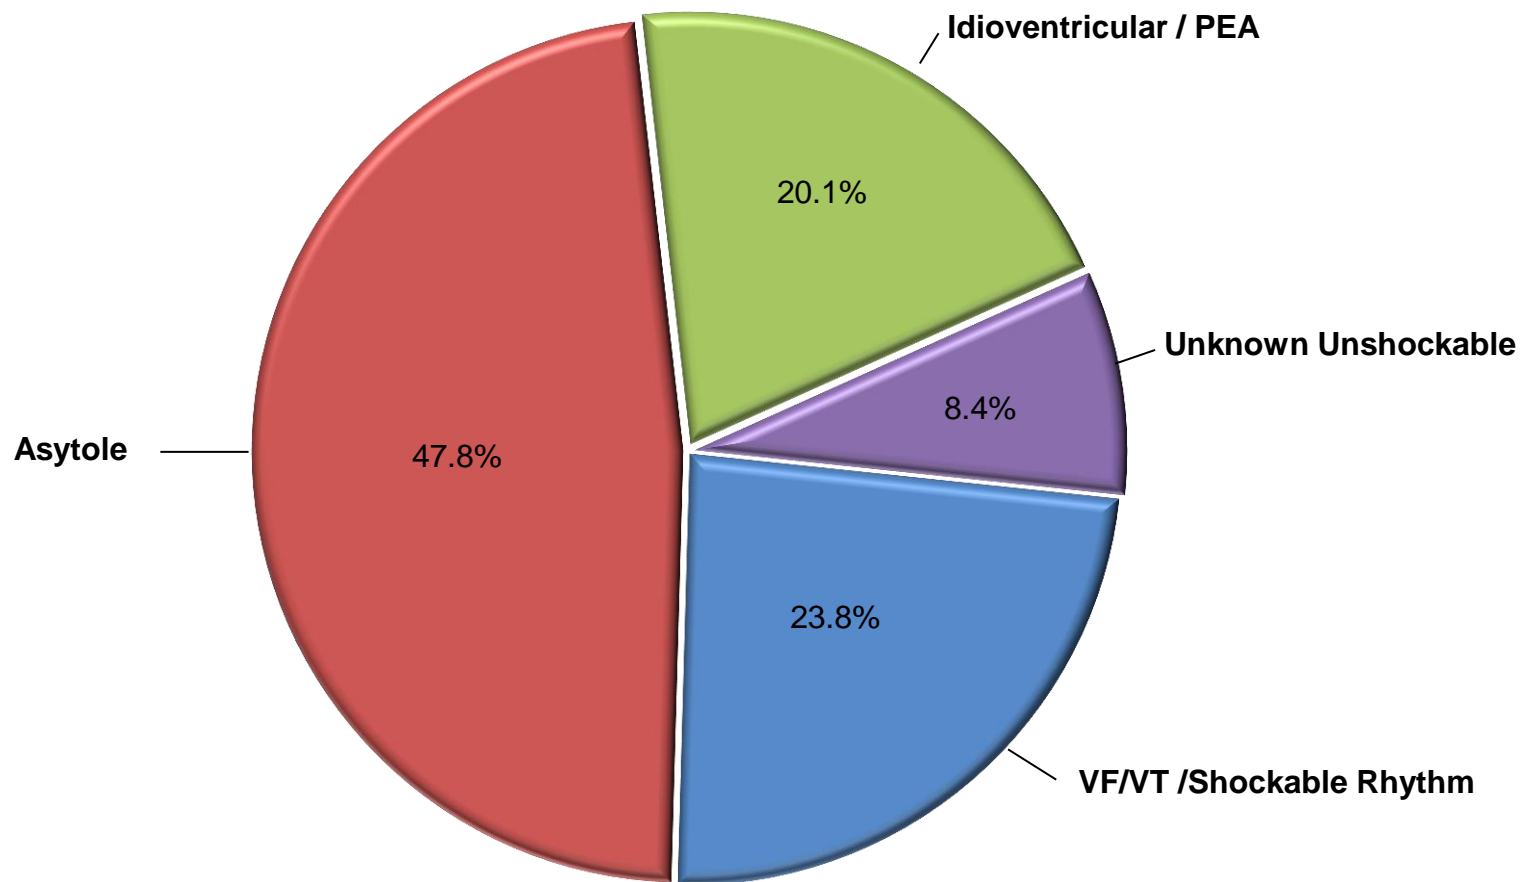

Cardiac Arrest Resuscitation System

Age	NC	US
Median	65	65
Gender		
Female	39%	39%
Males	61%	61%
Race		
African-American	30%	21%
White	65%	44%
Unknown	3%	26%
Location		
Home	70%	70%
Nursing Home	12%	12%
Public/Commercial Bldg.	7%	7%
Street / Highway	3%	5%
Witnessed		
Witnessed	54%	49%
Unwitnessed	46%	51%

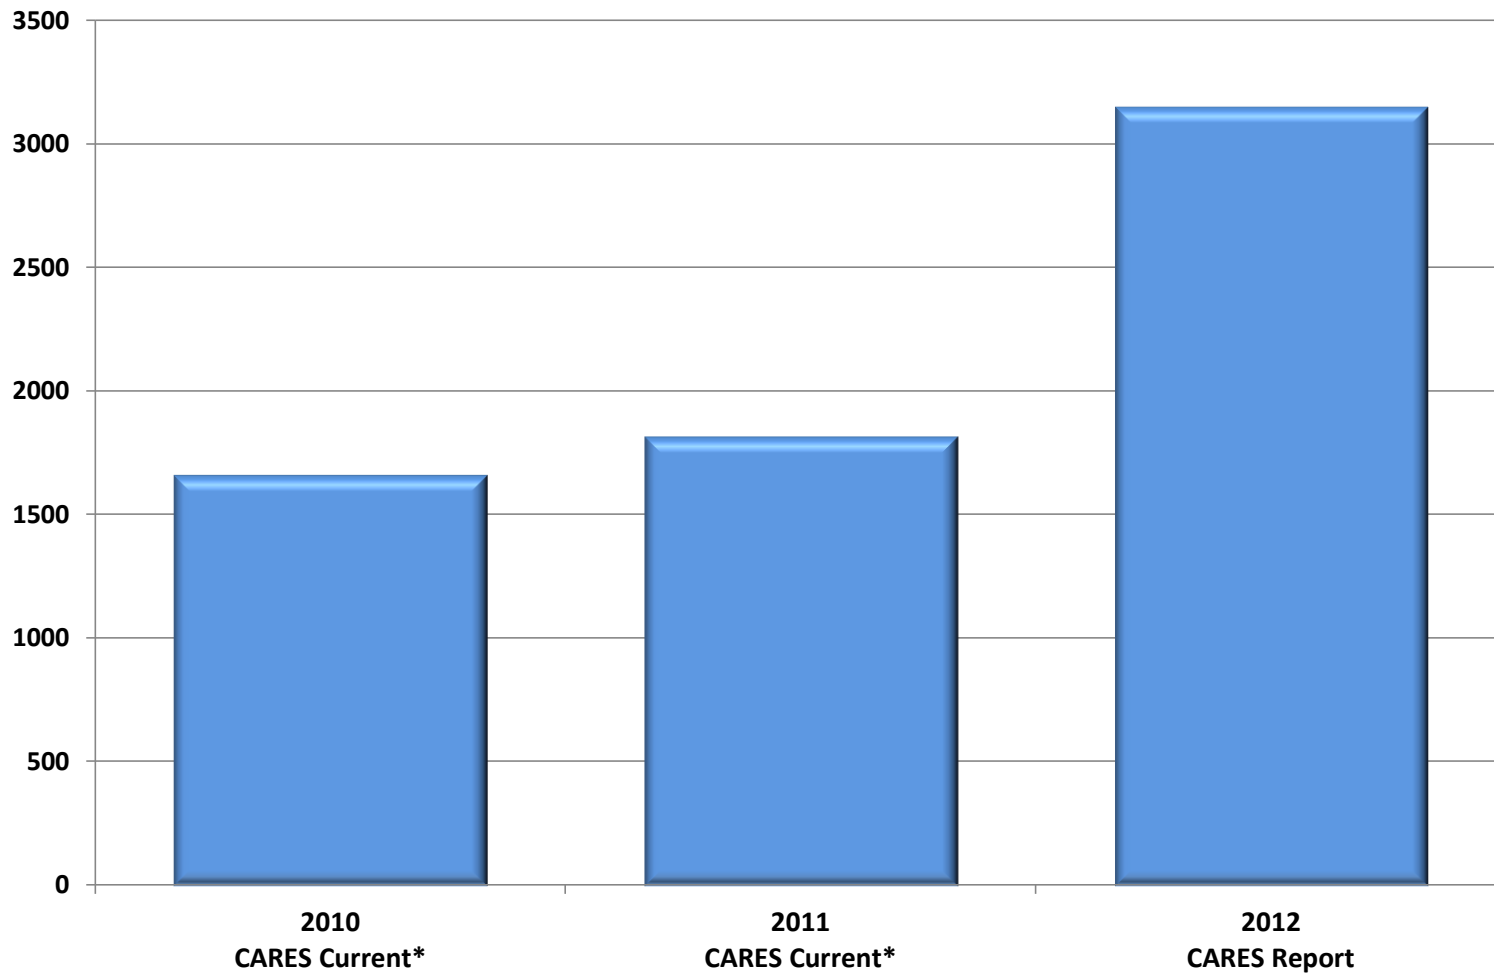

North Carolina CARES Initial Rhythm NC 2012 May 29, 2013

North Carolina CARES CARES Volume 2010 - 2012 May 23, 2013

Measuring Survival

- **Overall**

- Cardiac Etiology

- **Utstein**

- Cardiac Etiology
- Witnessed Arrest
- Found in V-fib / V-tach rhythm

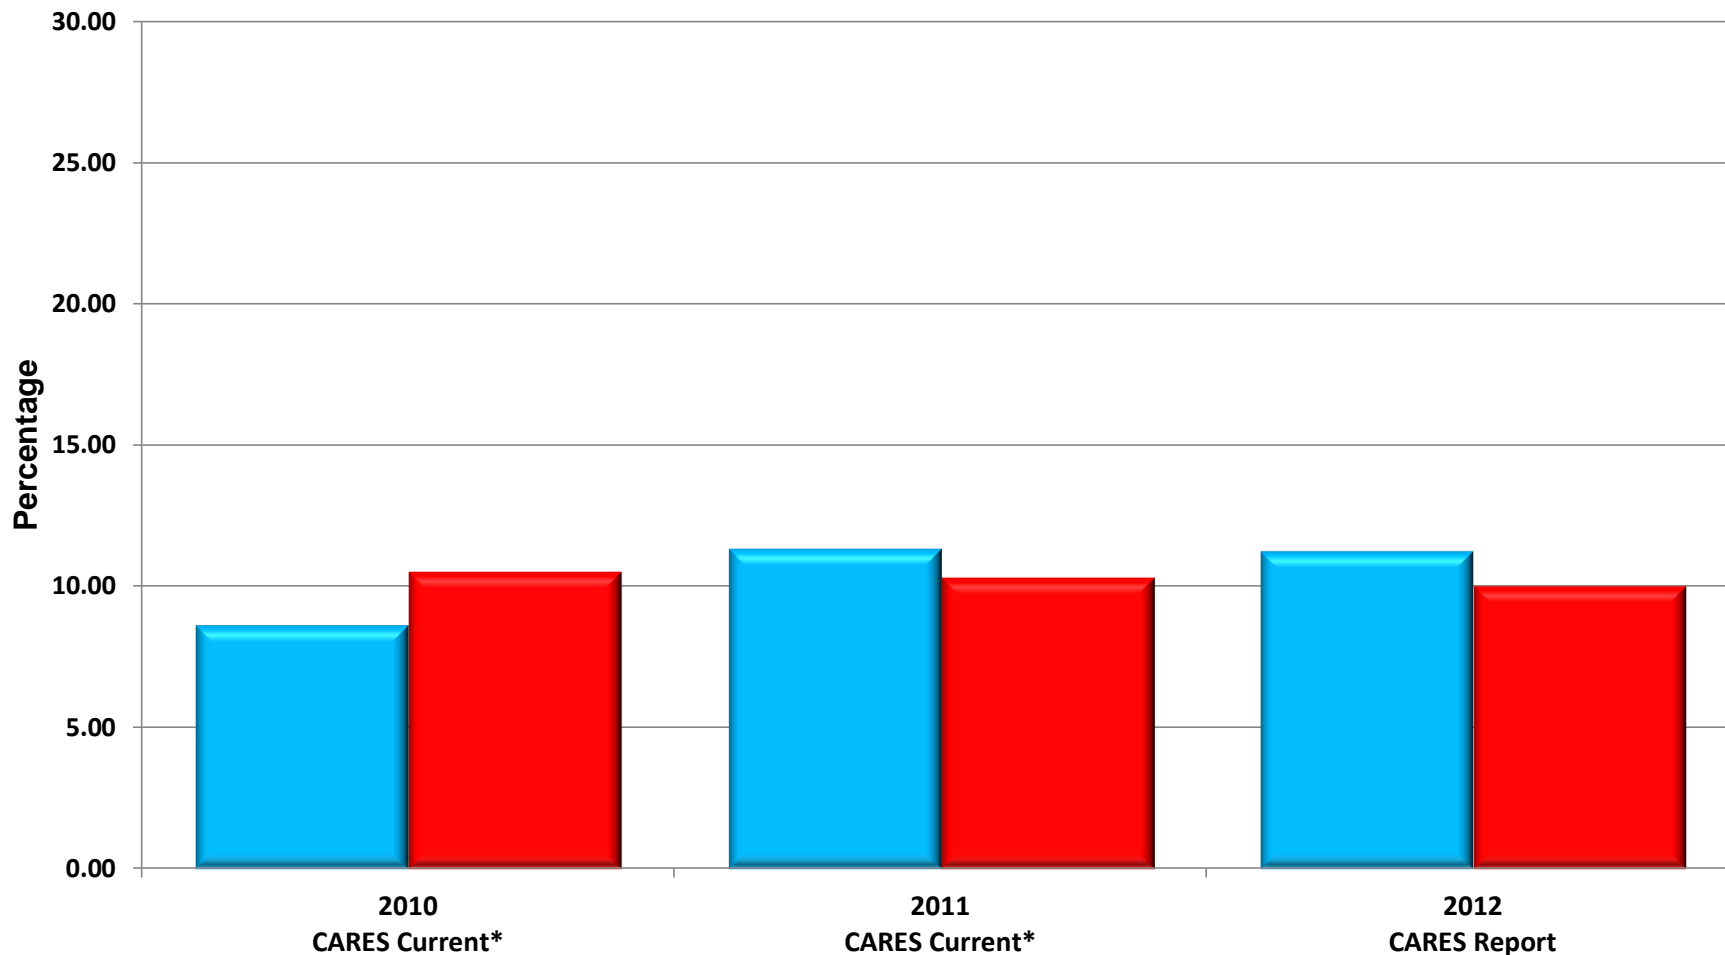

Must compare apples to apples

North Carolina CARES Overall Survival 2010 - 2012 May 23, 2013

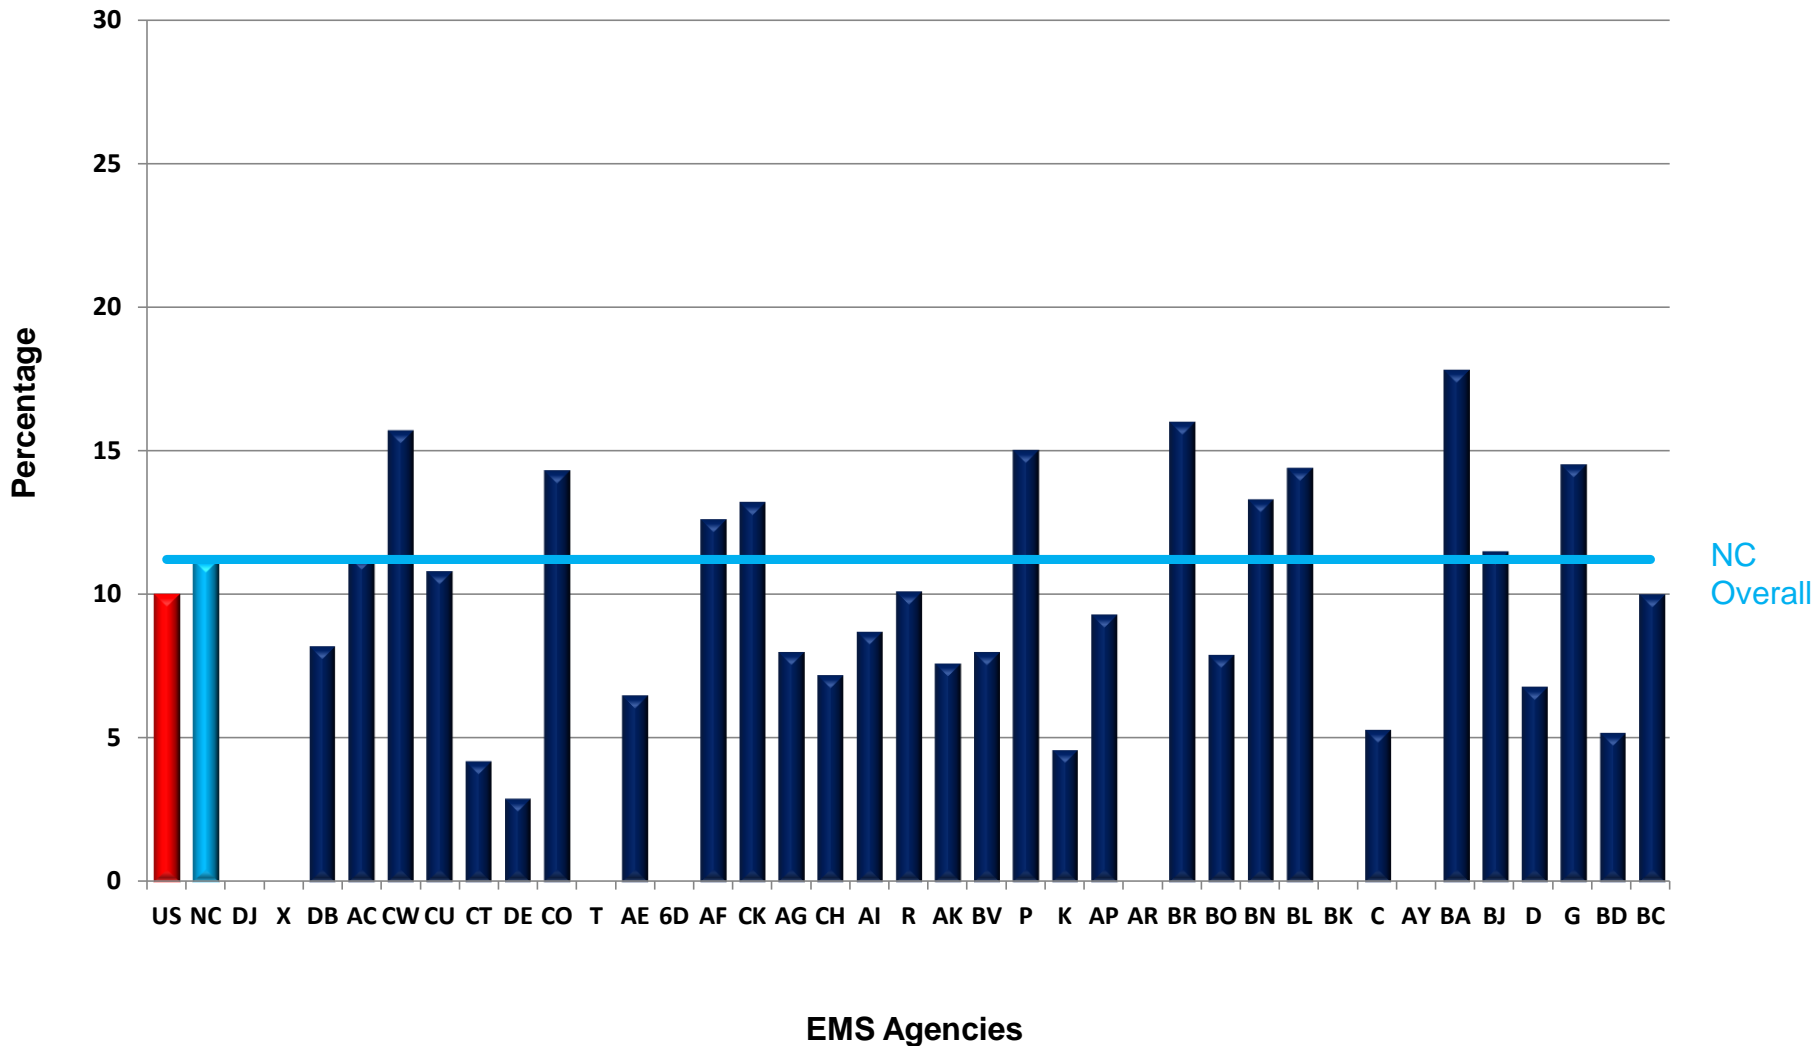

■ NC Overall ■ US Overall

* Data run 4/23/2013

North Carolina CARES Overall Survival 2012 April 24, 2013

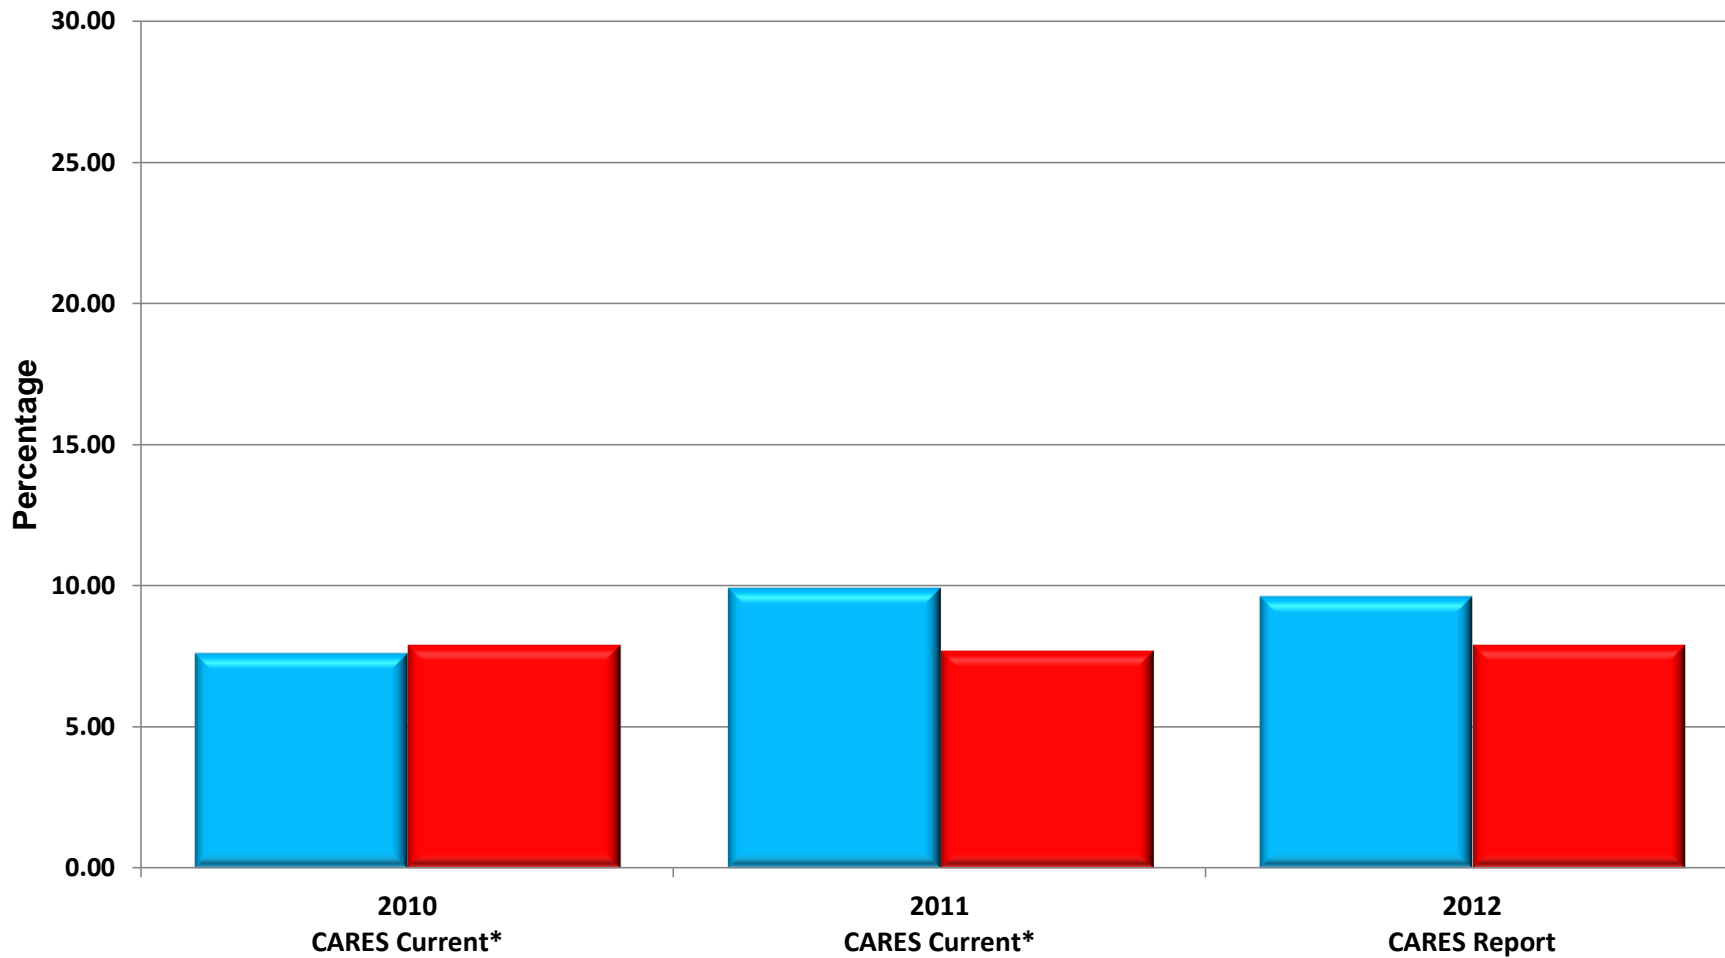

North Carolina CARES Overall Survival with Good Neurological Outcome 2010 - 2012 May 23, 2013

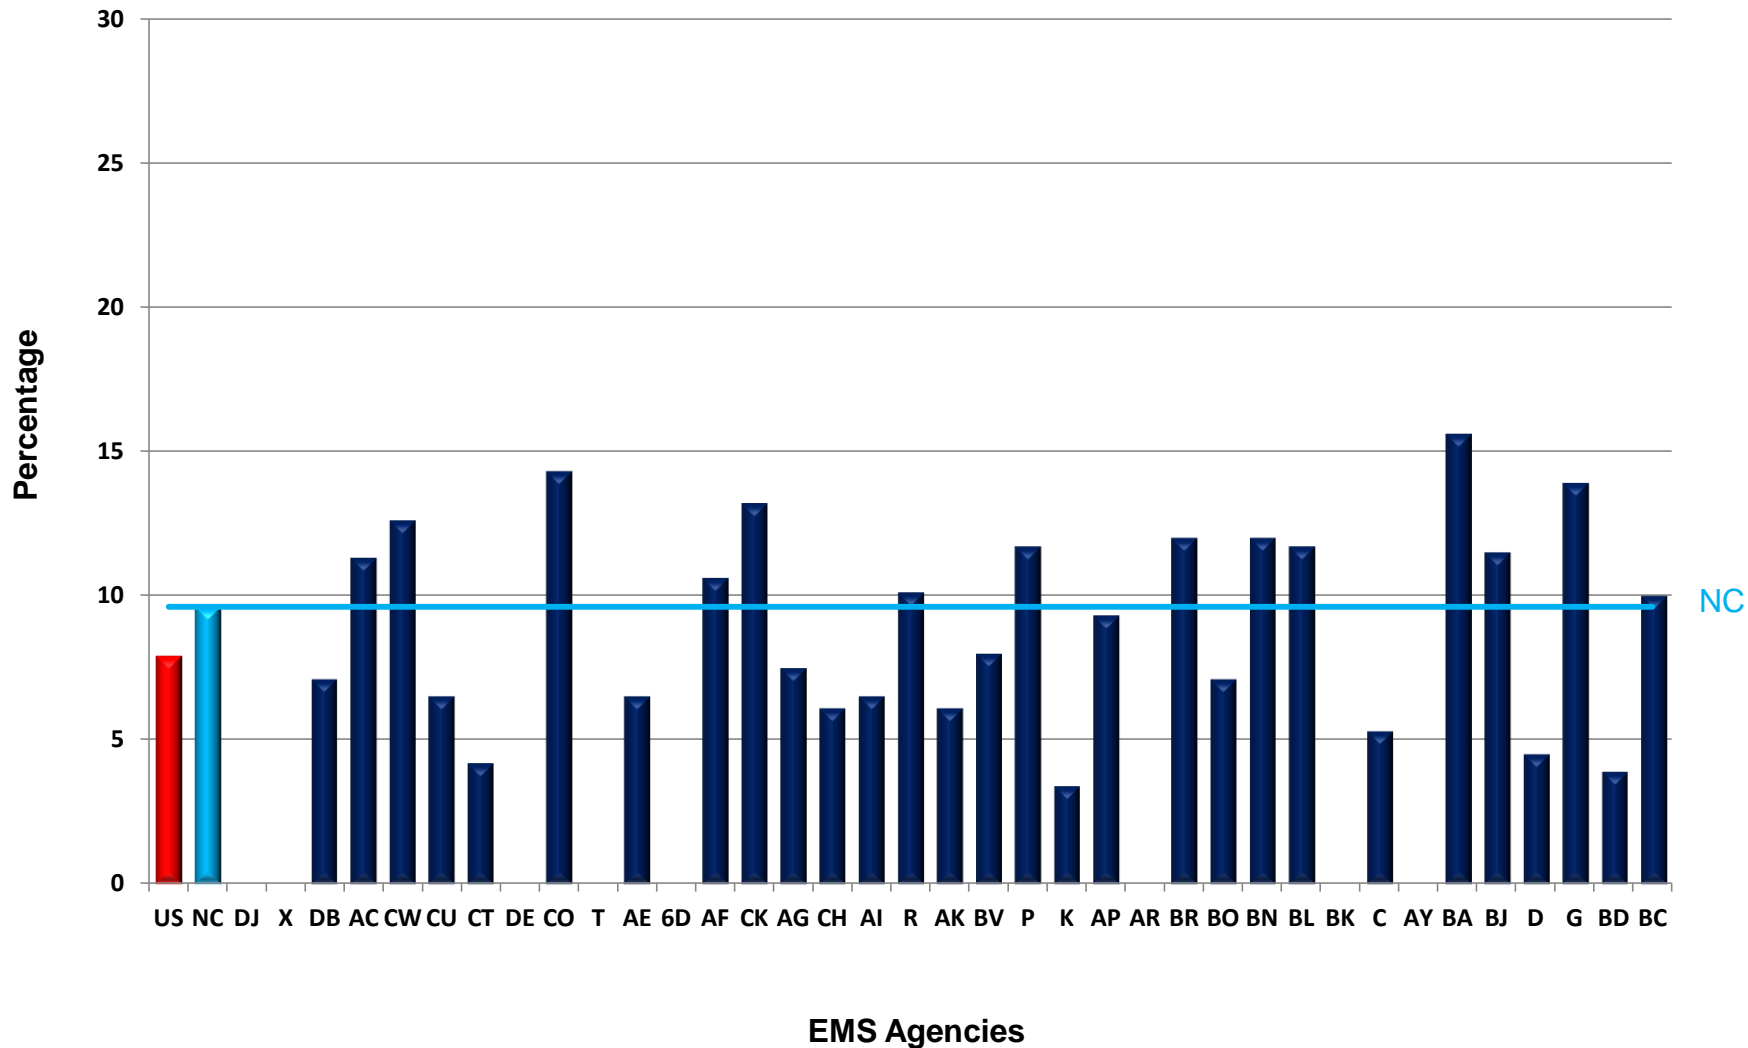

■ NC Overall w/ Good Neuro ■ US Overall w/ Good Neuro

* Data run 4/23/2013

North Carolina CARES Overall Survival with Good Neurological Outcome 2012 May 23, 2013

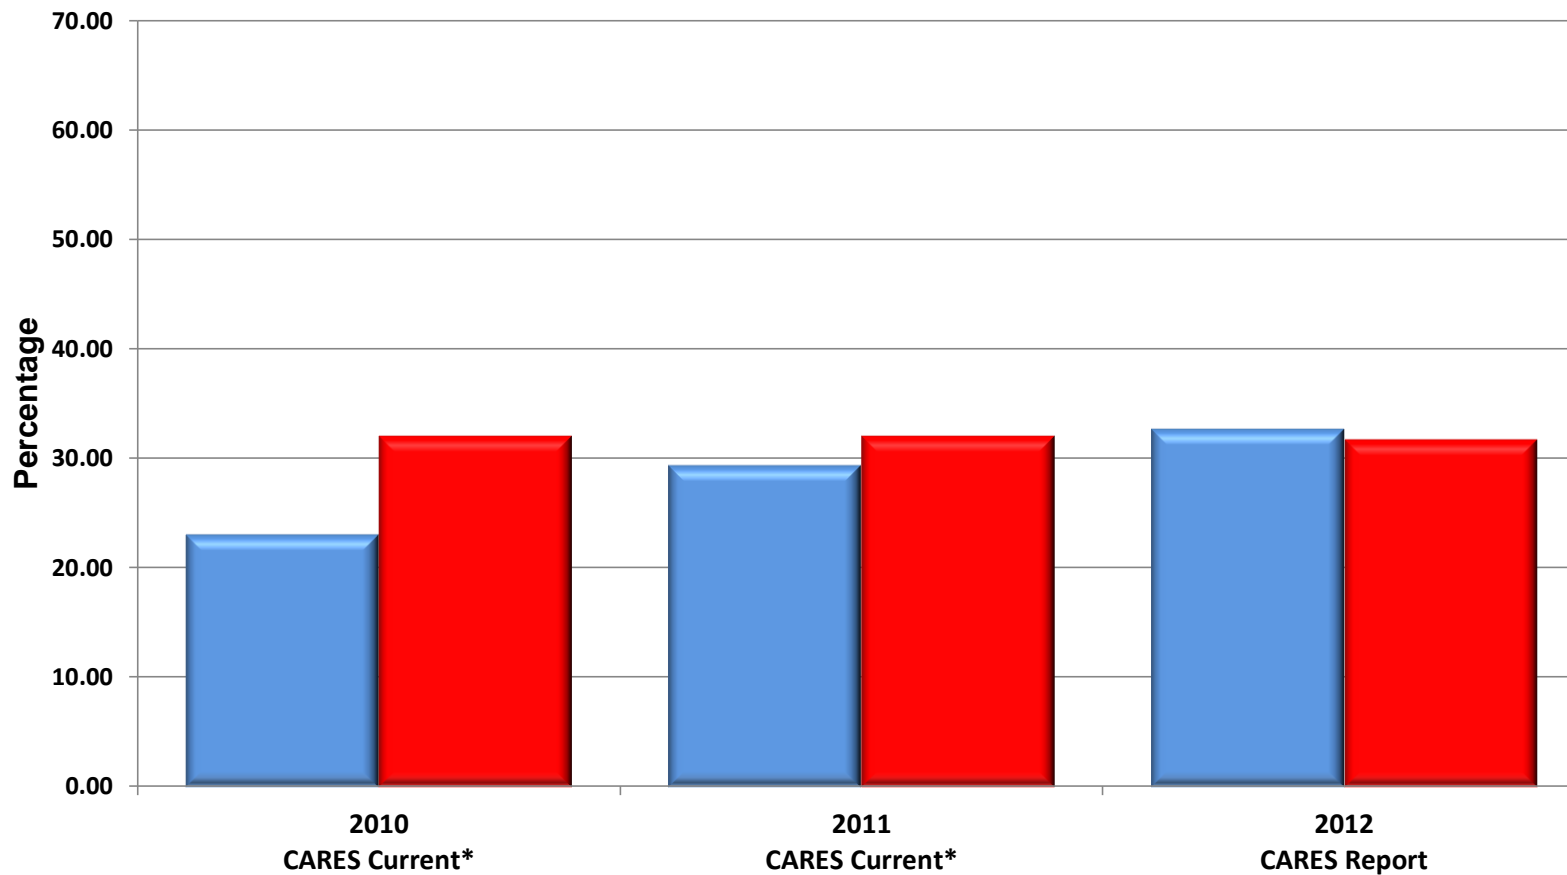

North Carolina CARES Utstein* Survival Rate 2010 - 2012 May 23, 2013

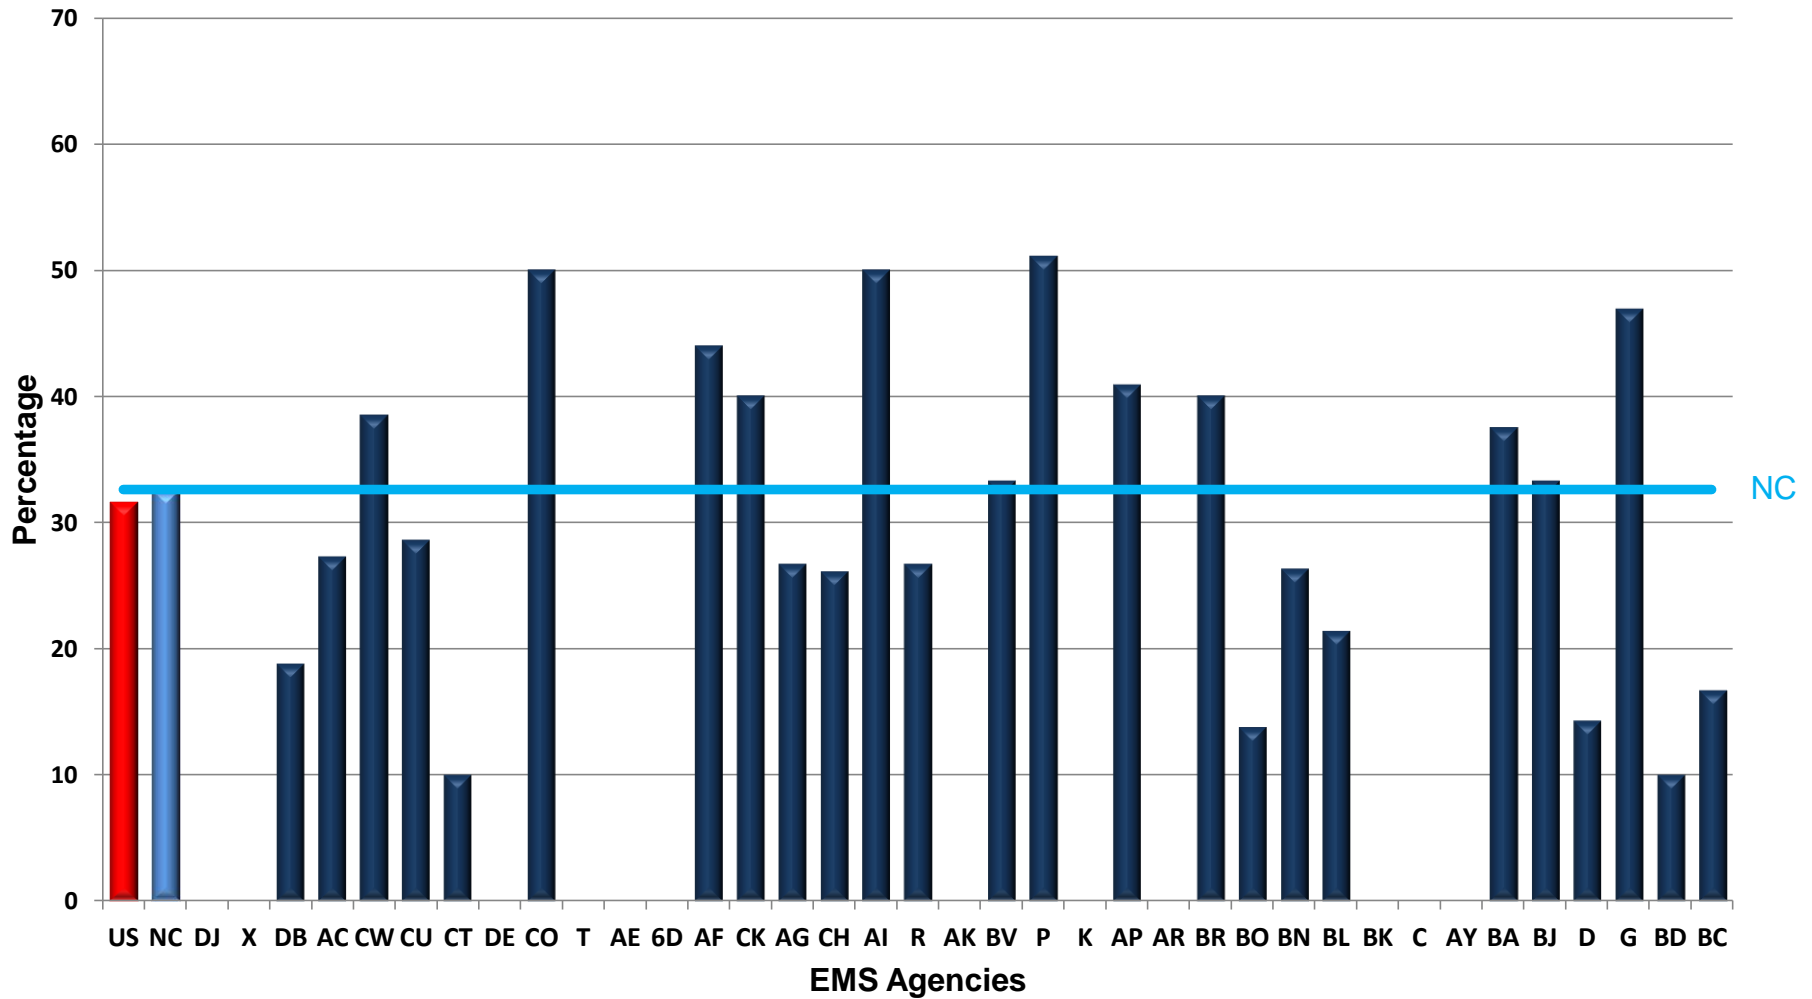

■ NC Utstein ■ US Utstein

* Cardiac etiology, witnessed arrest, found in VT/Vfib

North Carolina CARES Utstein* Survival Rate 2012 May 23, 2013

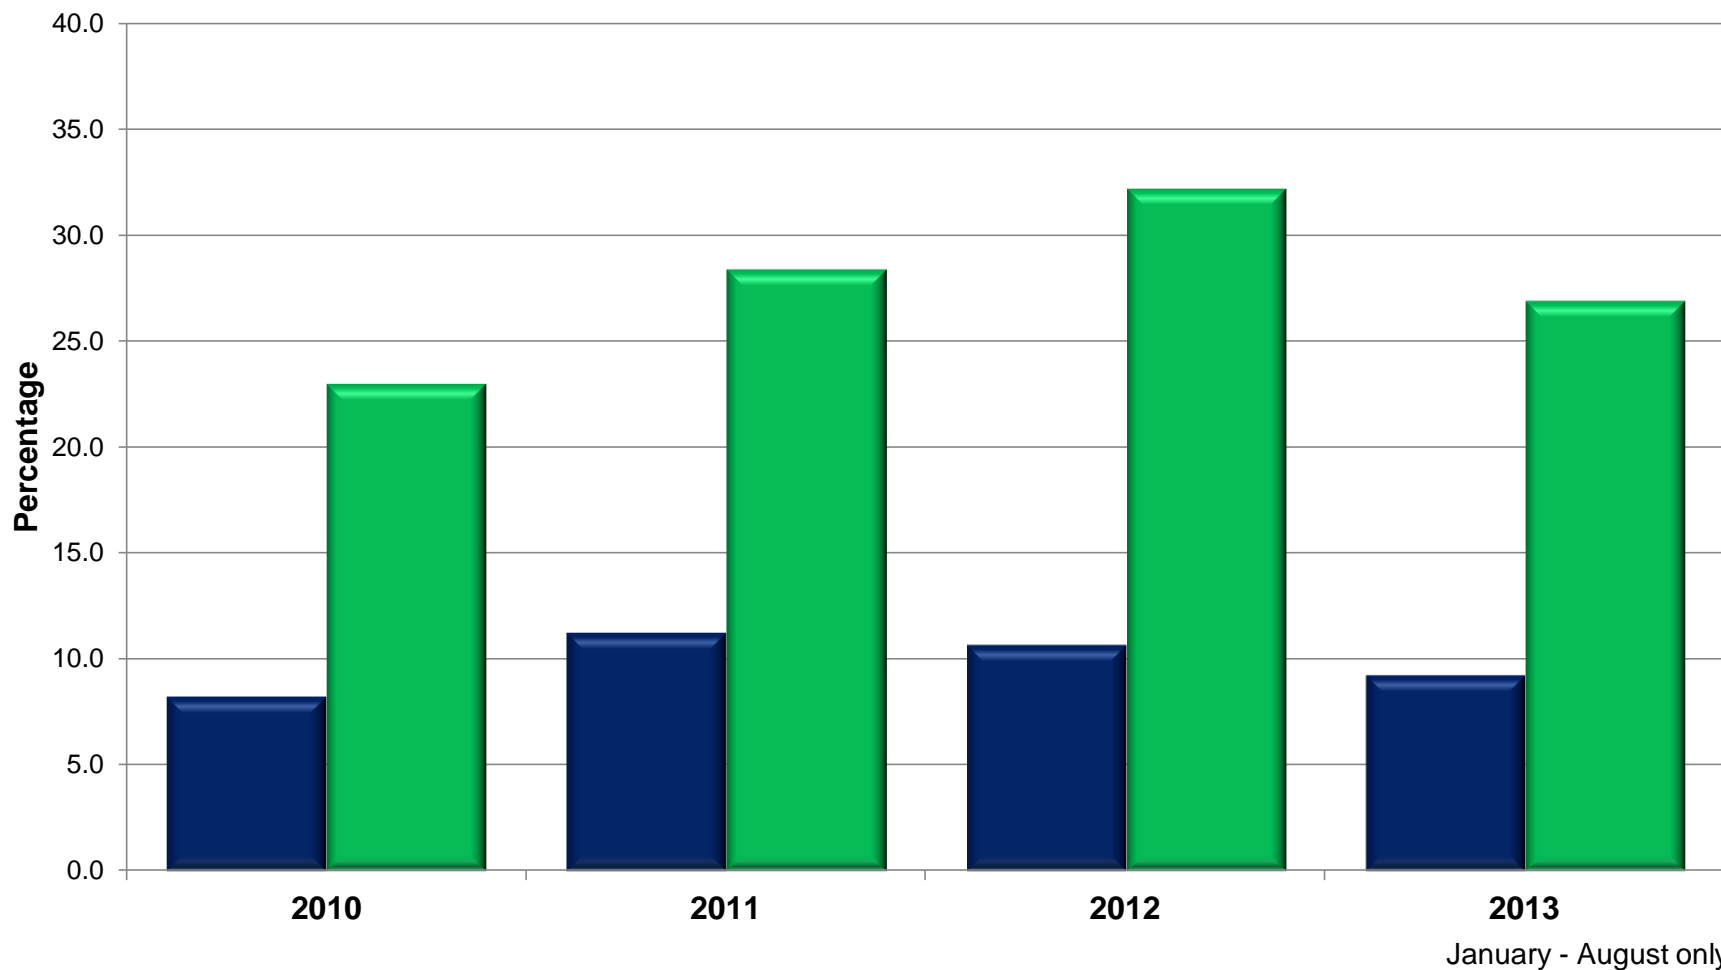

* Cardiac etiology, witnessed arrest, found in VT/Vfib

North Carolina CARES Overall Survival vs Utstein Survival Rates 2010 - 2013 November 27, 2013

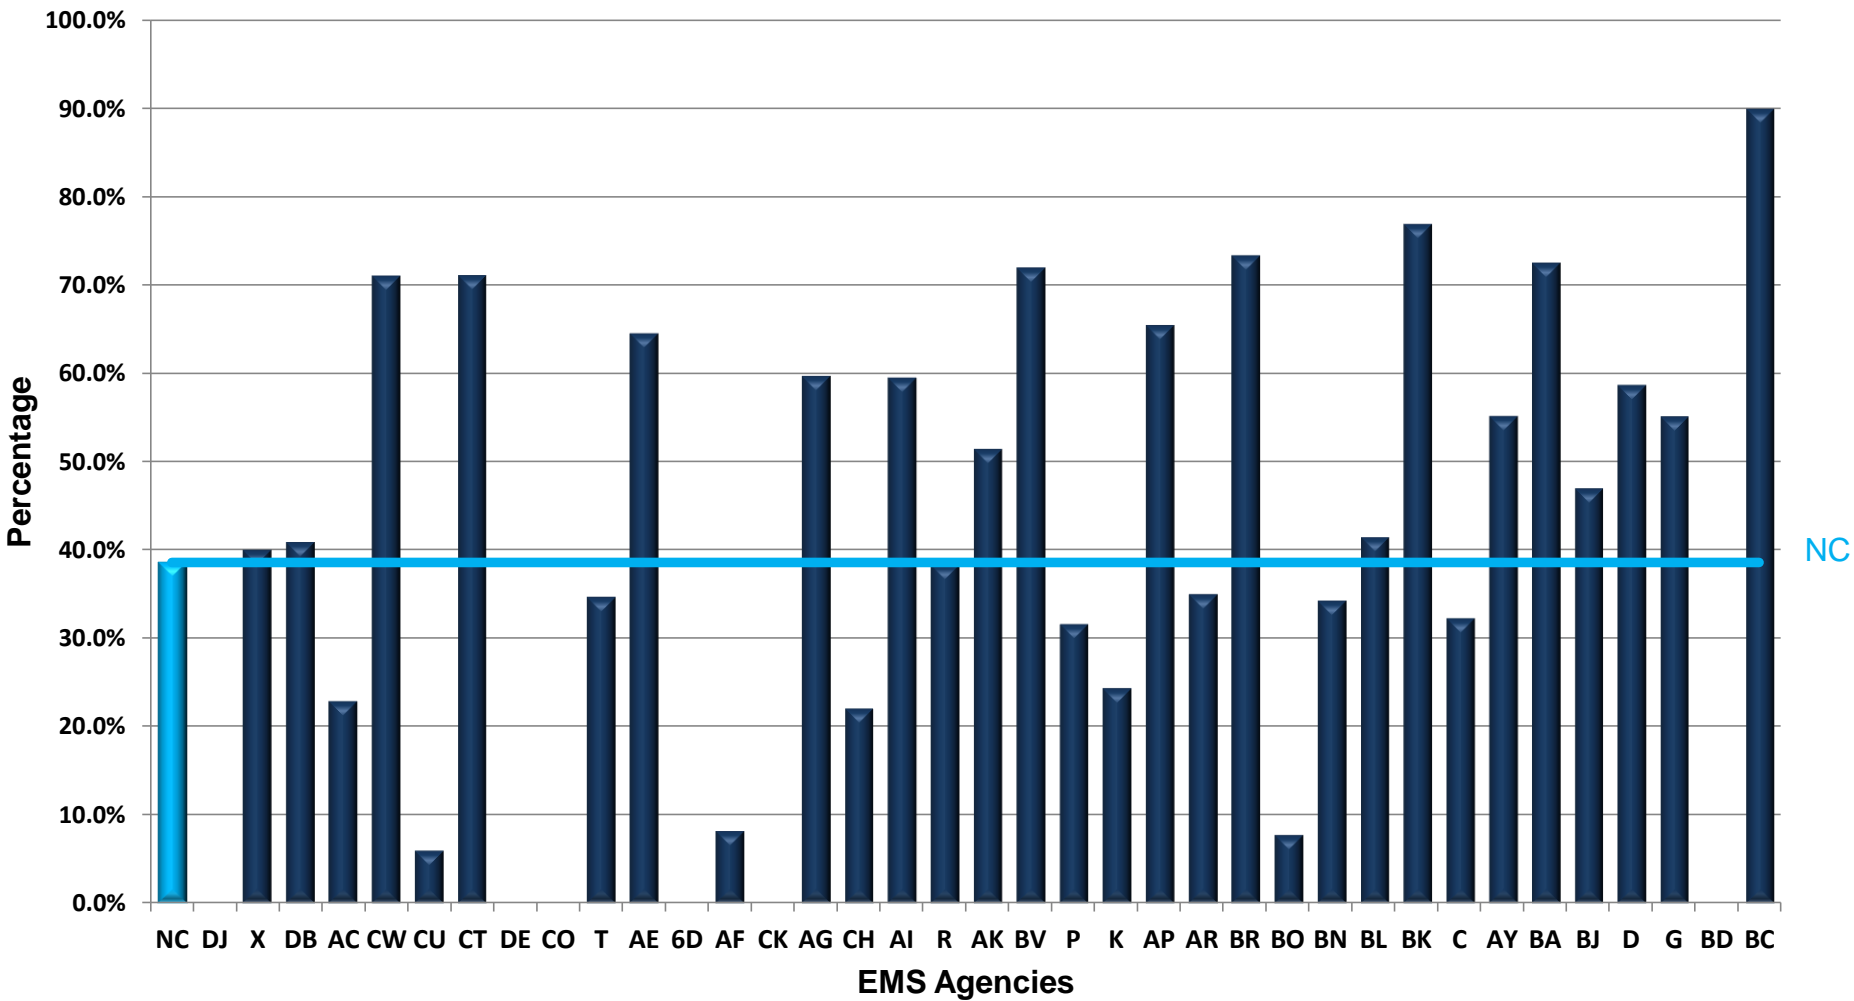

■ Overall Survival Rate ■ Utstein

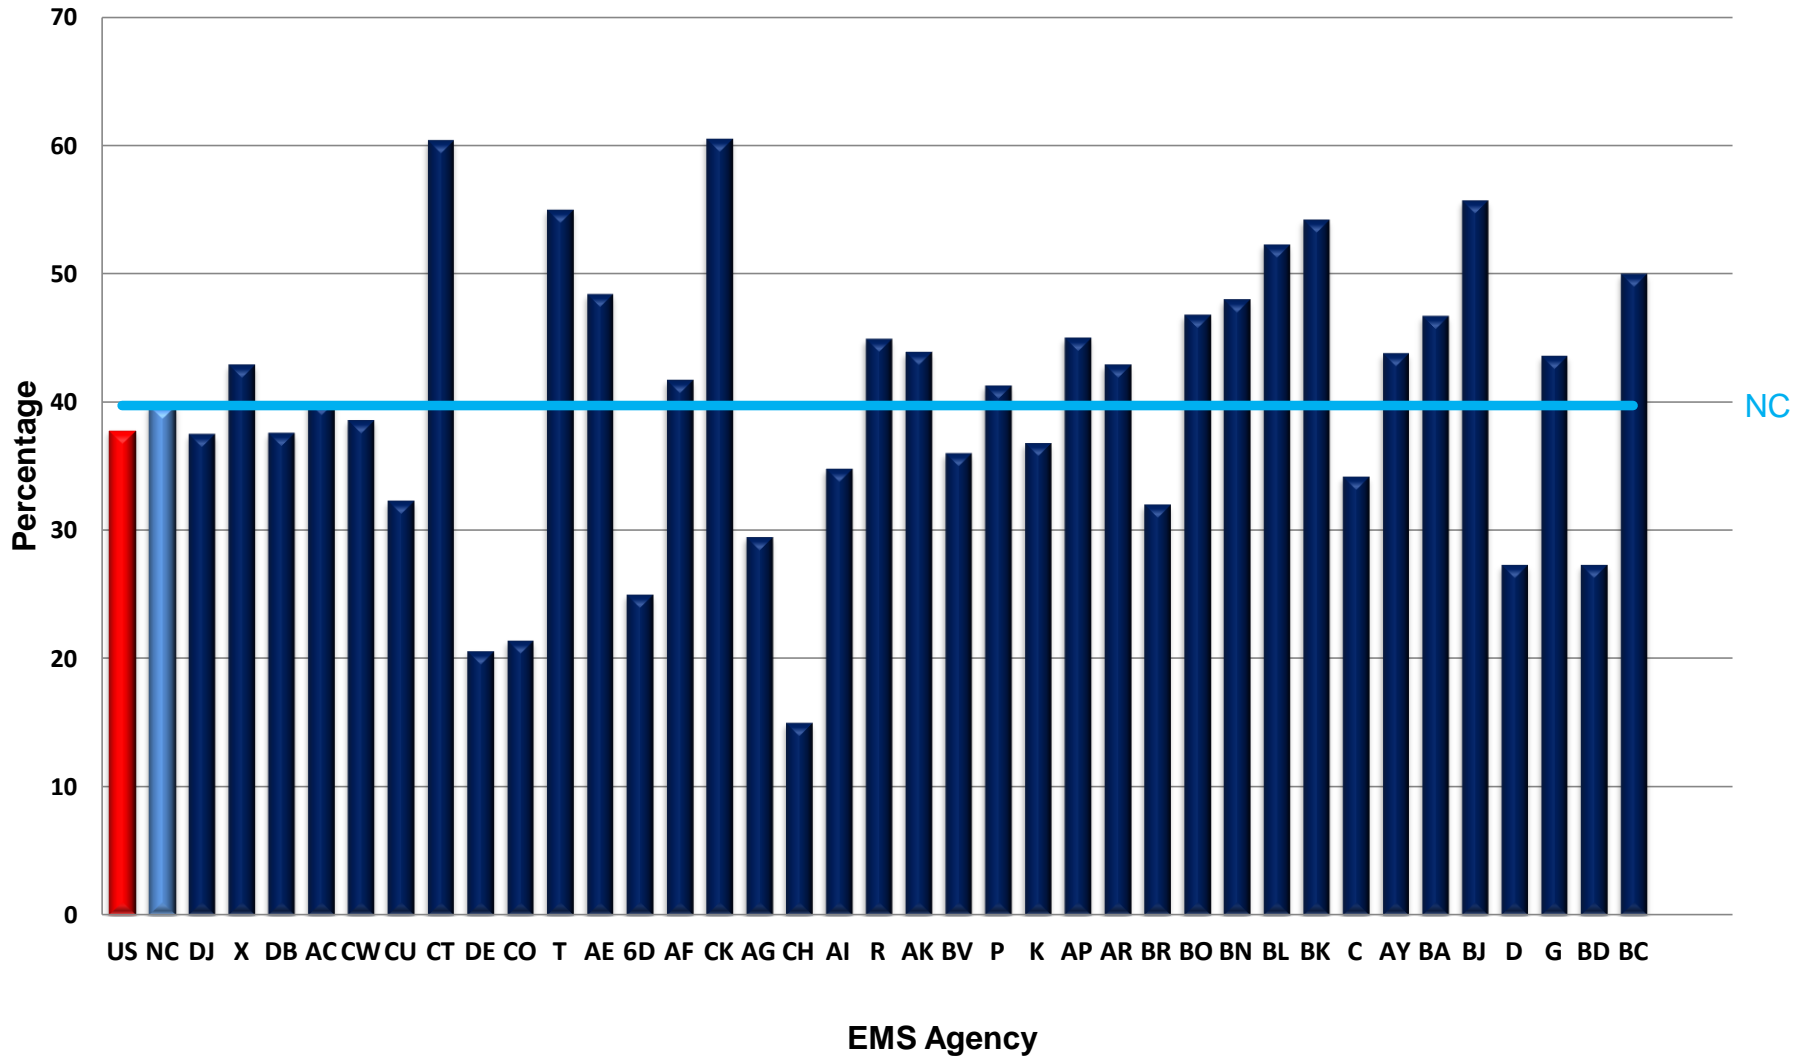

North Carolina CARES Dispatch CPR Instructions Given 2012 May 29, 2013

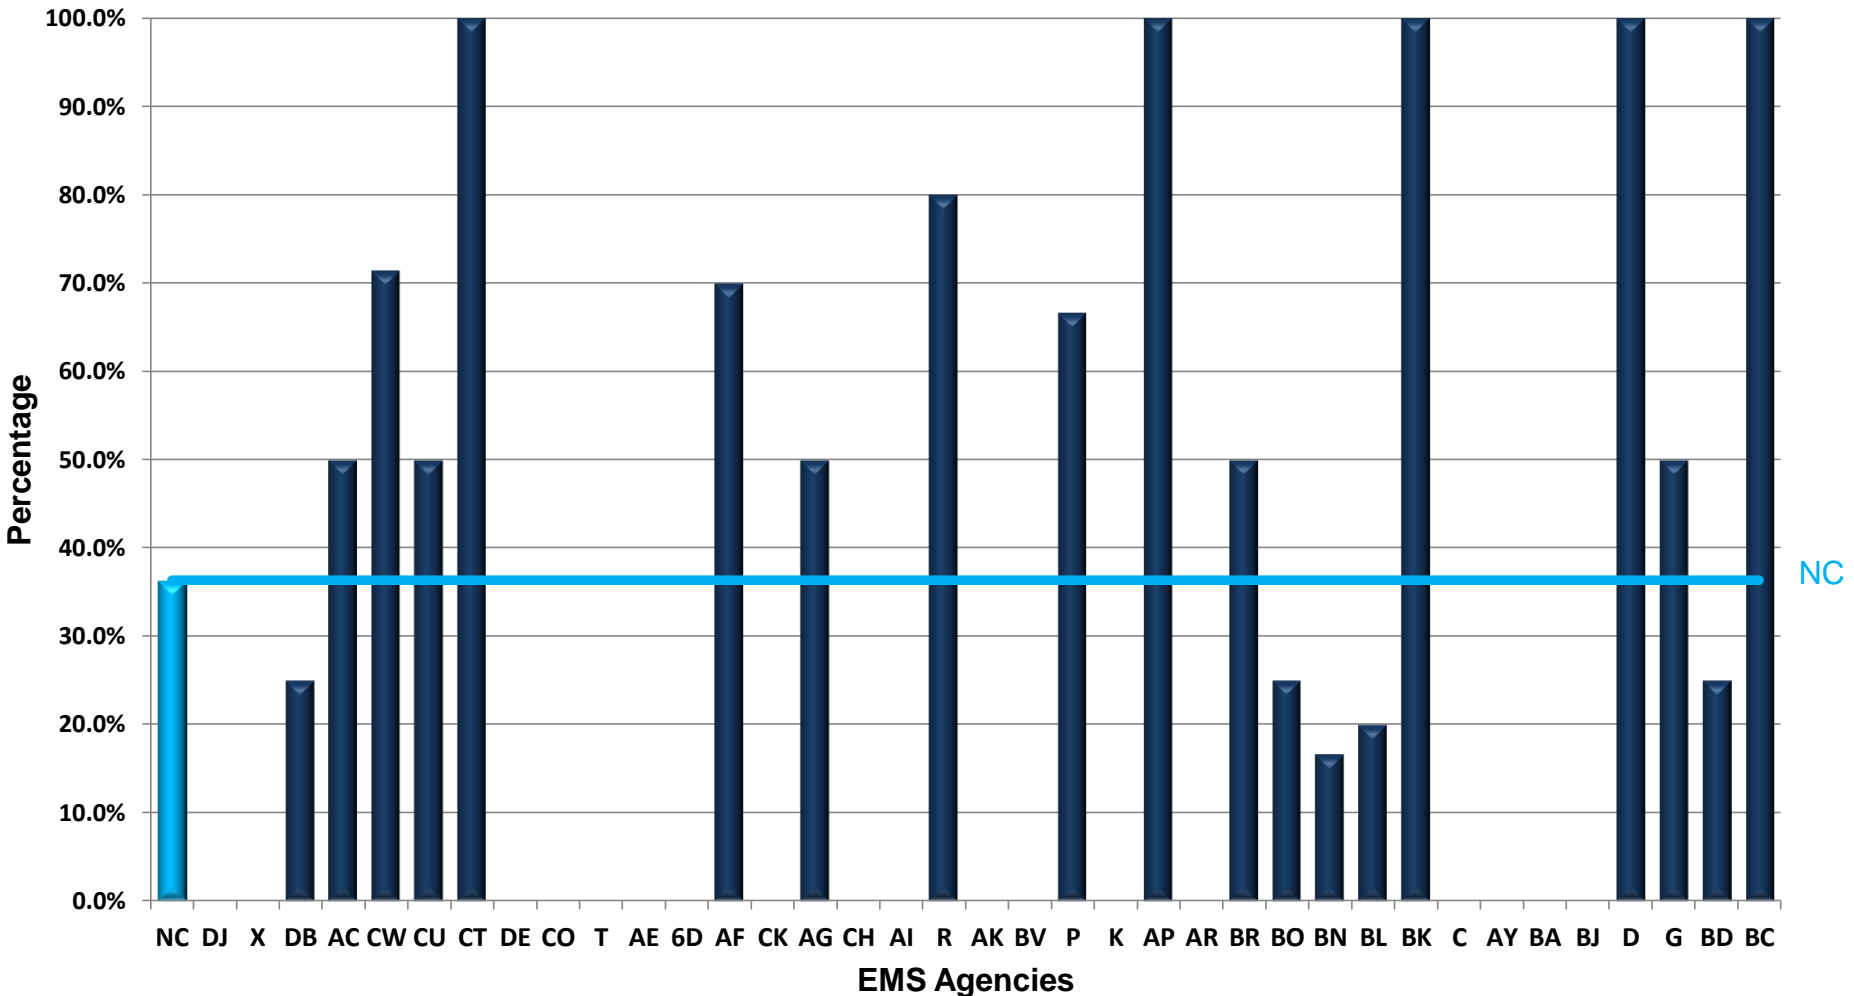

North Carolina CARES Bystander CPR Rates 2012 April 24, 2013

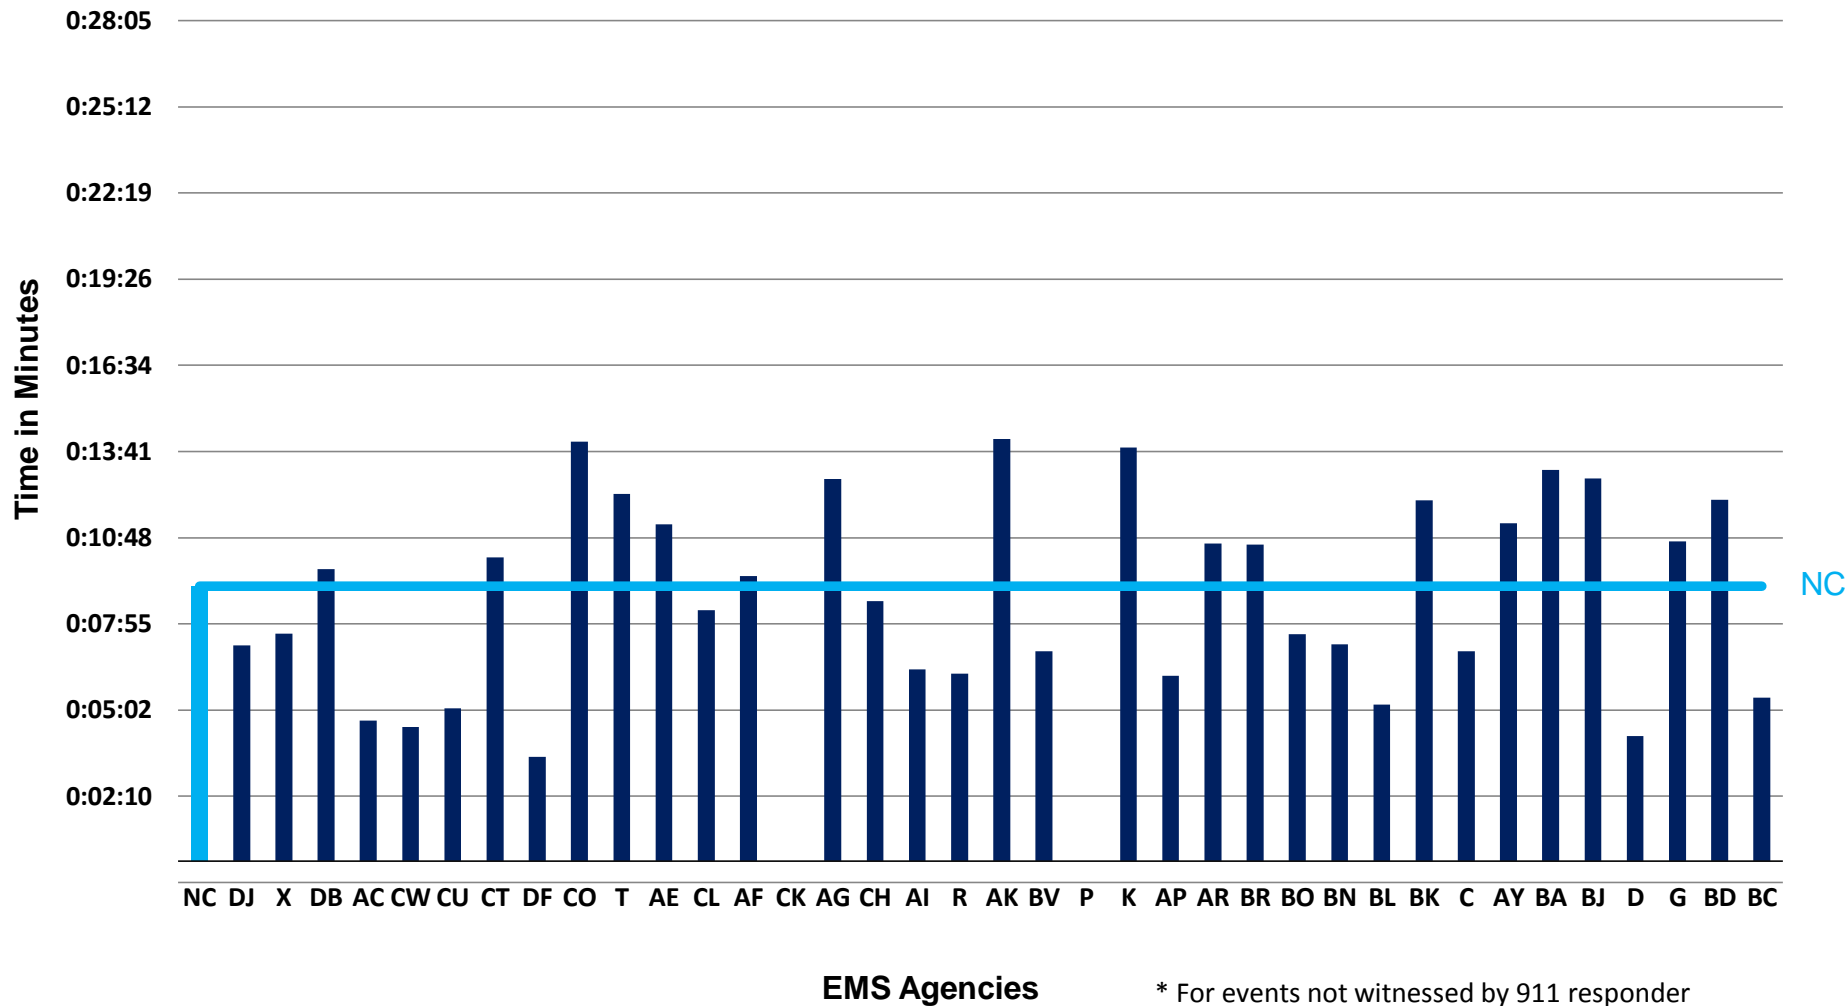

North Carolina CARES By-Stander CPR Rate in Public Places* 2012 May 29, 2013

* Location Types Public/Commercial, Industrial, Recreation & Transportation

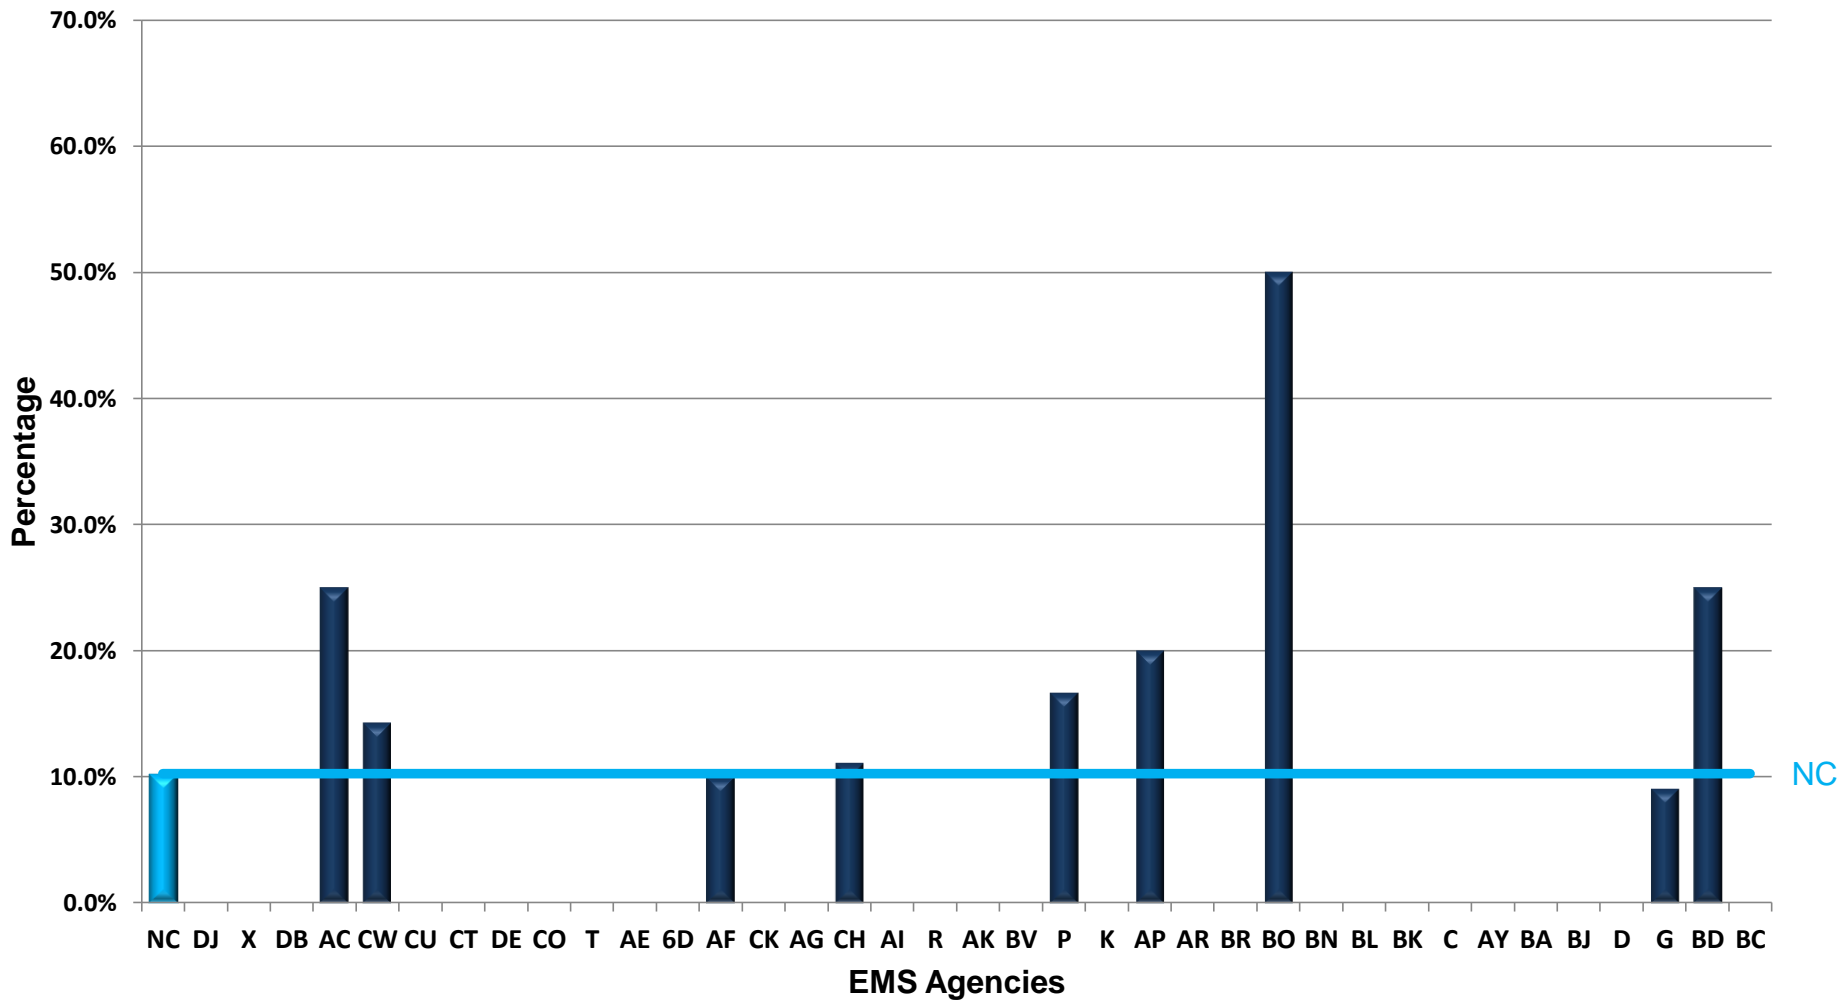

North Carolina CARES Mean Time to CPR* 2012 May 24, 2013

* For events not witnessed by 911 responder

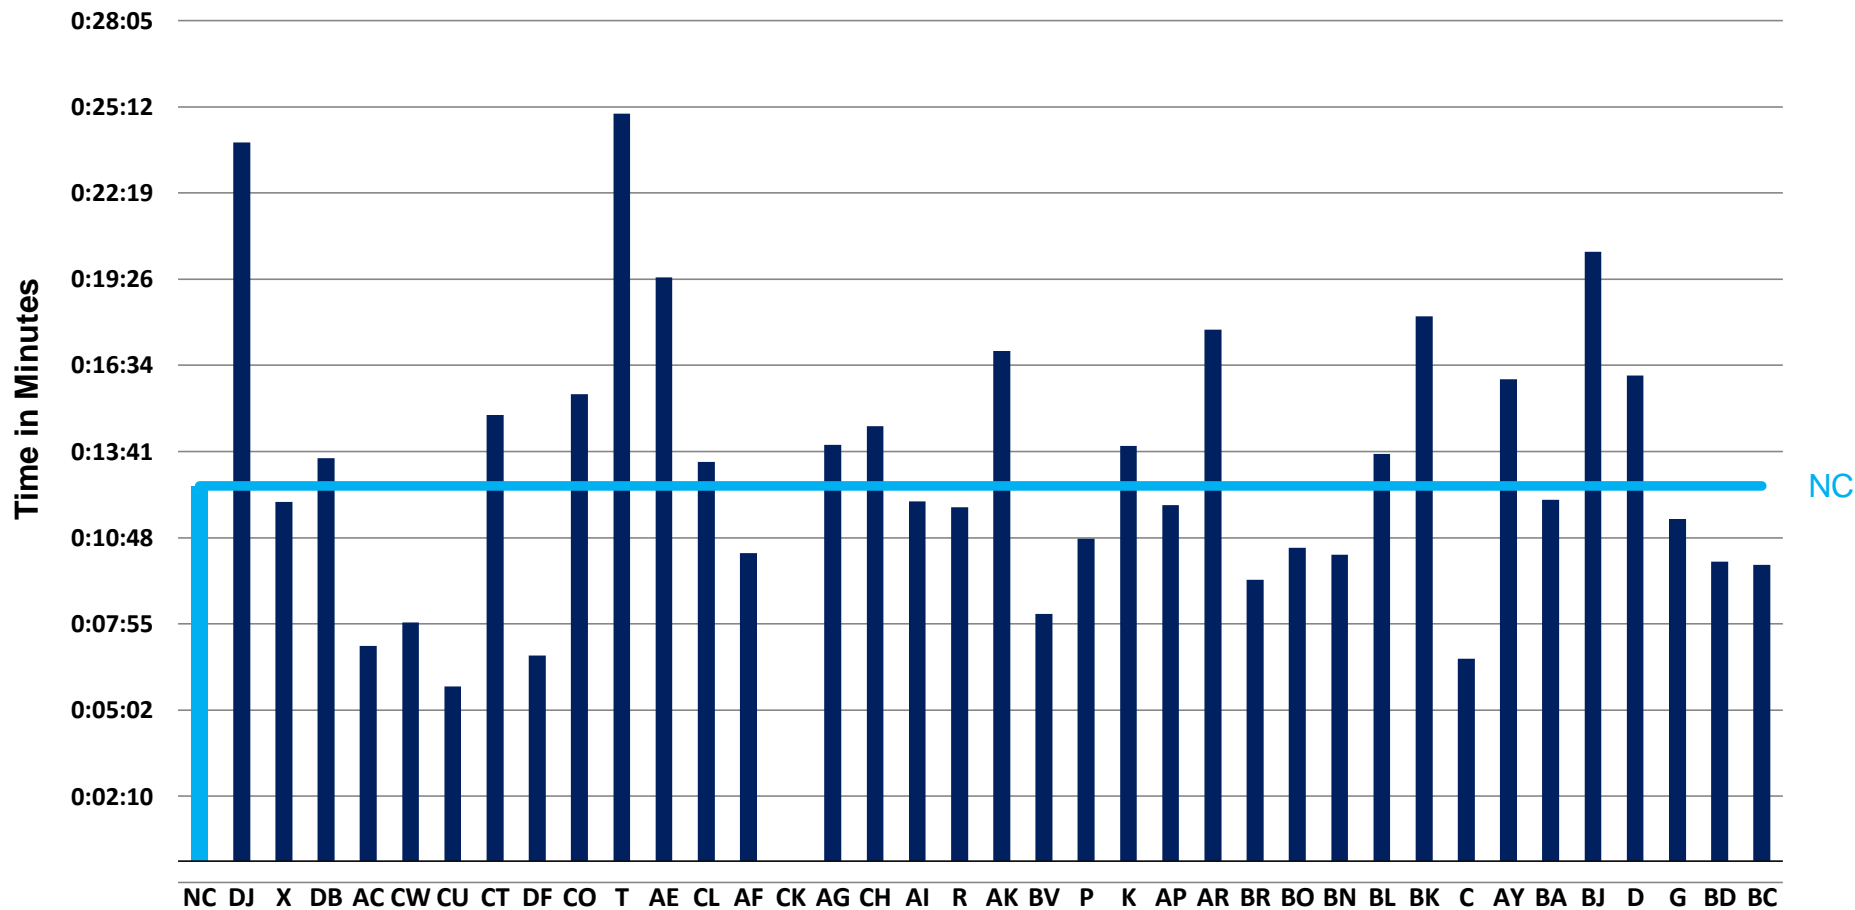

North Carolina CARES By-Stander AED Use in Public Places* 2012 May 29, 2013

* Location Types Public/Commercial, Industrial, Recreation & Transportation

North Carolina CARES Mean Time to Defibrillation* 2012 May 24, 2013

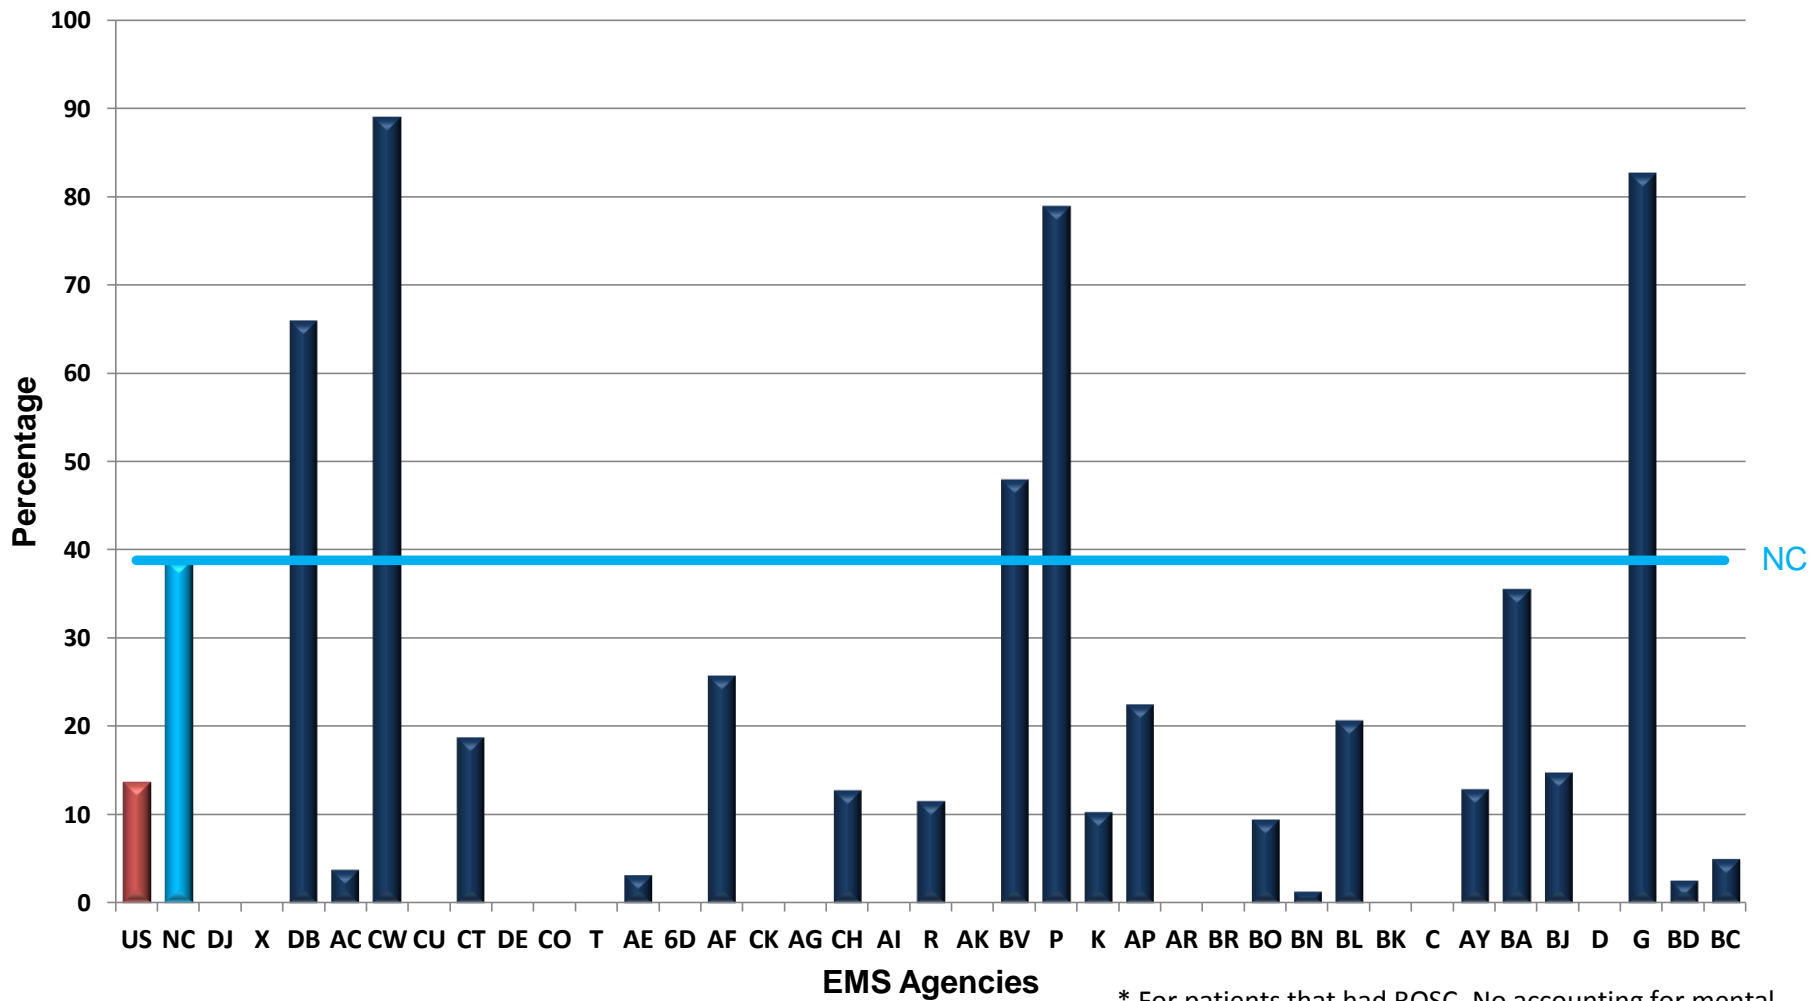

EMS Agencies

* For events not witnessed by 911 responder

North Carolina CARES Field Therapeutic Hypothermia Application Rate * 2012 May 29, 2013

* For patients that had ROSC. No accounting for mental status post arrest
