

## RACE CARS STATE MEETING

**West: December 6, 2013      Forsyth Medical Center      Winston-Salem, NC**

**East: December 13, 2013      McKimmon Ed. and Conf. Center Raleigh, NC**

### Vision:

- Every American who suffers out-of-hospital cardiac arrest will receive life-saving, state-of-the-art care at the scene, en route, and in the hospital.

### Goal:

- Increase overall out-of-hospital cardiac arrest survival rates by 50% over five years
- Support community to state-wide initiatives that focus on a “systems-based” approach to out-of-hospital cardiac arrest

### Objective:

- 1. Discuss Cardiac Arrest and STEMI Data**
- 2. Review Best Practices for care of Cardiac Arrest and STEMI patients**
- 3. List strategies for improving care that the participant will implement on return to work**
